An inspector from Czechoslowkia has arrived in Bombay with plans to audit the books of Skodaworks in Calcutta and close that of fice.*    Comment. This is probably the result of the impossibility of obtaining competent personnel; and the inspector may also liquidate the Rombay office for the same reason. If Skodaworks in India is closed, the new Czech-India Trada Apreement will probably be hendled directly between buyer and supplier. This arrangement is not apt to work well, owing to the fact that Skoda factory and office personnel in Czechoslowkia often make mistricke, either because these personnel are (a) selected for political reasons rather than according to their curlifications, (b) forced into the work whether they like it or not by the Communists, or (c) andows to	CO NO.	γv
